Savon De Royal

ABOUT US

Established in 2008 in Istanbul, AKSAN KOZMETIK sets out to become a global leader in creating products that cater to the needs of modern consumers in the wet wipes sector through our DEEPFRESH brand. Our company has gained a strong presence in the market with well-known brands like SAVON DE ROYAL and SAVON DE LUXE, and we have further expanded our reach with COMFORT LOVE, ULTRA FRESH, HAPPY KINDER, and BEBE ROYAL.

Our extensive range of products includes cosmetics, personal care items, baby care essentials, household cleaning products, and wet wipes, all manufactured in our advanced 30,000 square meter facility in Istanbul, Turkiye. We adhere to ISO and GMP quality standards and hold BRCGS CP and IFS HPC high graded certifications, ensuring that every product we create meets the highest standards of excellence. With 80% of our production being exported to countries across six continents, we are proud to be known as a trusted provider of private label products for top brands and market chains. In addition to meeting our own packaging needs, our PET packaging and PP injection production lines supply leading industry brands.

Driven by our commitment to social responsibility, economic prosperity, environmental sustainability, and national development, we aim to foster a thriving environment for all stakeholders, including our employees, suppliers, business partners, and customers. Our dedication to innovation and quality guarantees the production of premium products that consistently meet the highest standards in the industry.
